A HUB FOR SMART AND  
SUSTAINABLE CITIES

The UN estimates that over 70% of the world's population will be living in cities by 2050. Urban communities must therefore rapidly adapt and must come up with sustainable projects and intelligent solutions.

## WHY URBANIZEHUB?

We've created partnerships with organizations that have similar or complementary values and purposes, such as the World Bank, Keep IT Simple, Banat IT, Innovation 4.4, Smart Everything Everywhere, Cluj IT Cluster, Muntii Carpati, Lykke.

## GLOBAL NETWORKS

We are represented in global networks like the Hive Global Leadership Program or Erasmus Mundus Association.

**10 volunteers +  
tens of experts and contributors**

## EVENTS

We've participated in numerous national and international events: CES Vegas, Open Days at DG Regio in Brussels, and various Smart City conferences in Romania.

## URBAN TALKS &

## INNOVATION HACKATHON

The purpose of the conferences is to provide solutions for both local and global challenges by promoting a knowledge-sharing culture and creating a global community of doers.

**tens of events +  
hundreds of articles**

Our ultimate purpose is fostering a large community of people who want to engage with their society and bring about positive change. Cities are centers of economic development that are in need of strong communities and organizations that will engage in making them smart and sustainable.
