PRESS RELEASE

Come join us to celebrate BEST!

This year, BEST Cluj-Napoca celebrates its 22nd anniversary since its foundation, and we, the organization's members, we wish to commemorate this special occasion in the finest way, more specifically "in the BEST way".

Between the 9th-10th of May 2017, the students from the Technical University of Cluj-Napoca, alongside with the organization's members, will participate in activities that are specially designed for them, activities through which we provide more information regarding BEST and about what it means to be a BESTie.

A hammock workshop will take place, an activity through which the participants will learn how to build their own hammock (the necessary tools will be provided by BEST Cluj-Napoca). A flash mob and an open presentation will take place as well, in regards to the events that were organized between 2016-2017.

In the Technical University's yard (Bulevardul Muncii), the place where BEST Cluj-Napoca had its first headquarter, a purple lilac will be planted. As the folklore suggests, the lilac is the anniversaries' flower, thus symbolizing longevity. In the light of these happenings, the anniversary's slogan "Growing since '95" has been created as well.

The students who wish to participate to the hammock workshop, have to register on this [form](#).

To find out more information, we invite you to access the event's Facebook page.
