

A person is standing on a large, rounded rock in a mountainous landscape. The landscape is filled with green grass and several large, jagged rock formations. The background shows a dense forest of evergreen trees under a hazy sky. The overall scene is serene and majestic.

## FINDING WELL-BEING AND FULFILMENT

**MASTERCLASS WITH RICHARD BARRETT**  
MARCH 28 & 29, 2019

This masterclass is a unique opportunity to work with Richard Barrett, on a 2-day journey into learning how to achieve your full potential and finding well-being and fulfilment. Invest in your future by letting go of your past.

### About the Masterclass

Through a combination of presentations and exercises you will come to understand where you are on your life's journey; what you need to do to increase your sense of well-being, and the fundamental secrets to finding fulfilment.

You will learn:

- What stage of psychological development you are at.
- What levels of consciousness you are operating from.
- What fears are preventing you from living your soul's destiny.
- How to overcome the fears that are blocking your evolution.

## Richard will be presenting the findings from two of his latest books:

*The Evolutionary Human: How Darwin Got it Wrong, it was never about species, it was always about consciousness*

*“The evolutionary human is a must read at this critical junction for humanity. It illuminates the fundamental attributes that make human evolution possible.”*  
Bjorn Larsson, CEO The Foresight Group.

*A New Psychology of Human Well-Being: An Exploration of the Influence of Ego-Soul Dynamics on Mental and Physical Well-being*

*“A brilliant book that will challenge your understanding of who you are and the world in which you live. Highly recommended.”*  
John Mackey, Co-Founder of Whole Foods Market.
